

SOUTHERN REGIONAL ELECTRONIC CAMPUS MISSION STATEMENT

The Southern Regional Electronic Campus will be the primary electronic marketplace for matching student needs with educational programs, services and resources in the 15 SREB member states. Operating under the auspices of the SREB, the Electronic Campus will provide a regional “umbrella” for overcoming state barriers and for facilitating cooperation among the states, schools, colleges and universities. Its primary purposes are to:

- expand educational access
- improve quality of education
- encourage economic and human development

through telecommunications in the Southern Regional Education Board region.
